

IN SUPPORT OF

INLAND EMPIRE SCHOOL NURSE Organization CONFERENCE

Saturday, May 2, 2026 | 8:00 a.m. — 3:30 p.m.

Elevating Practice

Strengthen Your Nursing Skills. Expand Your Impact. Lead with Confidence.

Real-World Scenarios • Practical Application • Immediate Takeaways

Interactive skill stations focused on:

- Gastrostomy Tube (GT) Management
- Tracheostomy Care
- Ventilator Support
- Colostomy Care
- Catheterization
- Physical and Adaptive Equipment

Upon completion of this course, participants will be able to:

1. Demonstrate basic skills in GT care/feeding, tracheostomy care, ventilator support, colostomy care, urinary catheterization during hands-on practice stations.
2. Identify appropriate nursing actions for common and urgent situations involving GTs, tracheostomies, ventilators, ostomies, and urinary catheterization through case discussions.
3. Describe steps to initiate a stock albuterol program in their respective school district.
4. Become familiar with a variety of adaptive equipment used in schools.

HOT TOPIC

Implementing Stock Albuterol Program in Your District
